

⑤ - Ghost Train

"I heard you were a major authority in this field."

The rider waited a bit before answering. "When I was alive, maybe. But it's been so long... Nobody around here has any questions about their future."

"Still," she said. "Any kind of reading you could give me would be very helpful."

"Well, okay." The passenger stopped shuffling and got to work.

VIII - a toothy maw

XII - a left shoe

I - a pointer finger

XX - the middle butt

XI - a hilt
